

FOUR KINGS – Ben & Heather

HEATHER

Hi

BEN

Hey.

I like your hair.

HEATHER

Thanks.

BEN

Is it real?

HEATHER

What do you mean? Are you asking if I'm wearing a wig?

BEN

Yes?

HEATHER

It's my real hair.

BEN

It's pretty. It kinda matches that fuzz on your lip.

HEATHER

There's no fuzz on my lip. What are you doing? It's almost like...you give me a compliment and then you sort of insult me. Are you trying to make me feel insecure?

BEN

Do you feel a vibe here?

HEATHER

I'll see you.

BEN

Wait, wait...I'm sorry, I just broke up with my long-term girlfriend and this (indicating the club) really isn't my scene. If I had met you at a house-warming party or an art opening, I'd be doing much better. Can I buy you a drink?

HEATHER

I don't know. If I drink too much my wig falls off.
