

Kuato - adapted from 50/50
Adam and Kyle

I/E. ADAM'S HOUSE - LIVING ROOM - EVENING
Kyle and Adam - Adam's bandage has to be changed

KYLE
(re the wound)
Ugh, it's gross!
Oh God - I keep looking back at it thinking it's going to be less gross.

Adam looks back at Kyle.

ADAM
Can we just get it over with? Come on.

KYLE
Your mom does this?

ADAM
She does it all the time.

KYLE
This is like some "Saw" shit.

ADAM
Your words are so comforting.

KYLE
I'm just gonna do it, I'm gonna act like it's nothing.

Kyle puts a gob of antibiotic ointment on his finger and very tentatively reaches towards Adam's back.

ADAM
I'm going to be really proud of you.

KYLE
Ugh! I'm doing it. I'm inside you!

Adam looks over his shoulder, notices Kyle applying the ointment.

ADAM
Wait, wait, wait, is that your finger?

KYLE
What?

ADAM
Is that your finger?

KYLE
No.

ADAM
There's Q-Tips!

KYLE
I know, I know...

Kyle quickly applies some ointment on a Q-TIP.

ADAM
That was your finger, wasn't it!

KYLE
Would it be bad if it was?

ADAM
Did you wash your hands?

KYLE
I used a Q-Tip the whole time, don't worry about it.

Kyle swabs the wound with the Q-Tip.

KYLE
This looks like Kuato from "Total Recall".

Adam grabs his back to imitate Kuato.

ADAM
The oxygen!

KYLE
No! Don't do that! Ugh!

ADAM
Can we get this going? It's seven thirty. Come on, put on the bandage.

Kyle gingerly applies the bandage

KYLE
And you, are ready for your date!

Adam stands and buttons up his shirt. He walks over and looks in the mirror. He rubs his short hair in contemplation.

ADAM

It's crazy. I look pretty good.

KYLE

I'd fuck you.

ADAM (smiles)

Thanks.
