

Snickerdoodles - adapted from 50/50
Adam and Kyle

INT ADAM'S KITCHEN

Adam is preparing a complicated meal for Skeletor - Kyle
may or may not be rolling a joint

KYLE

You put up with a lot of shit when
you date a hot girl. Truthfully, that's why if you recall in
high school I didn't date any hot girls.

ADAM

That's why?

KYLE

Yes. That's why.

ADAM

Well, we're not in high school anymore. The relationship I
had with Rachael was about more than sex.

KYLE (condescending)

What was it about, Adam?

(beat)

This is the best thing that could have happened to you.

ADAM

Why?

KYLE

You deserve better, way better. If I was your girlfriend,
I'd be baking you cookies and blowing you every thirty
minutes...

ADAM

What kind of cookies?

KYLE

Any kind.

ADAM

Would you make me Snickerdoodle cookies?

KYLE

I'd bathe you in Snickerdoodle.

ADAM

This conversation is making me nauseous.

KYLE

Actually?

ADAM

No, that was a joke.

KYLE

You could fuck any girl you want right now, you realize that, don't you? Remember that girl in the dog park...?

ADAM

No one wants to have sex with me. Look at me - I look like like Voldemort.

KYLE

You could've asked her to go on a doggie date, whipped out the cancer card, fuck the shit out of her!

Adam thinks-

ADAM

You really think a girl's gonna go for me just because I have cancer?

KYLE

I know it. Help me, help you get laid.

ADAM

You think that would work?

KYLE

It would totally work!

Adam thinks more.

ADAM

Let's do it.
